Arunachal Pradesh, November 2024. I travelled to Arunachal Pradesh with Santhosh aka Exotic Expedition. One of the best trips filled with exhilarating and fascinating experiences. I usually travel solo and this was my first organized tour experience. Now I would like to explore many such possibilities. EE not covers all the important and famous sites but ensures that you experience the local culture and cuisine. You get to stay in some amazing homes stays and heritage homes. Each day is exciting and the flexibility element makes it more special. The stay, food and the evenings spent with fellow travellers makes the tour memorable and incredible. Each day is well planned and

I recently embarked on a mesmerizing journey with exotic expeditions to Nagaland, and it was an adventure like no other. The tour seamlessly blended cultural immersion with breathtaking landscapes, offering an authentic glimpse into Nagaland's rich heritage. Santosh navigated us through vibrant local markets, where we indulged in delicious Naga cuisine and interacted with warm, welcoming locals. The highlight was the Hornbill Festival, a kaleidoscope of traditional dances, indigenous crafts, and the vibrant N... See more

I had an absolutely fantastic experience travelling with Exotic Expeditions to Western Arunachal, Nagaland, Uzbekistan and Bali. If you're someone who prefers meaningful, offbeat journeys over crowded tourist checklists, Exotic Expeditions truly delivers.

What stood out for me the most was how thoughtfully the itinerary was designed – unique locations, authentic local experiences, and hidden gems I would never have discovered on my own. Every detail from Home-stays in the north east to scenic routes in Bali to interactions with local communities in Uzbekistan made the trips feel personal and

We booked our Bali trip for 10 days with Exotic Expeditions. The service and itinerary was designed as per our needs. Hotels and cab was booked by Santosh. The hotels were good, close to the beautiful landscapes, In Ubud, he booked a stay in between rice fields, in Amed, we had a beach front place. Loved all the stays! The itinerary was off beat and covered some of the best locations. We could not have discovered these hidden gems had we not chosen Exotic Expeditions. Thanks for making our Bali trip and the overall experience memorable! Looking forward to visit Ladhak with you guys

Two things aptly define Exotic Expedition - affordable and safe

I did four trips with Santosh so far-Nagaland, Leh Ladakh, Vietnam and Cambodia Nagaland was on my list for a long time but due to its remote location I was hesitant to attempt it. But he made it memorable for us by adding the interior, non touristy and unexplored locations along with the World famous Hornbill festival in the itinerary.... See more

First things first, I love solo travelling! I never thought that group travelling can be as much fun as travelling by yourself, I was wrong. First time I traveled with Exotic Expeditions was in late 2016 (to Bhutan), since then I have done 6-7 trips (Bali, Andaman, Vietnam, Cambodia, North-East, Sri Lanka) with Santosh (Yes, he is the guy), and every trip has been an Experience! The places Santosh try to cover in his trips you will not find with any other tour company/guide. If I can try to sum-up travelling with E-E in one line, Exotic Expeditions is for real travelers, and may be for some tourists also, only if you know the difference ;) Cheers - Devesh
